# TWINSOME MINDS

## RECOVERING 1916 IN IMAGES AND STORIES

a live performance with

TEXT BY RICHARD KEARNEY

*Twinsome Minds* (a phrase from *Finnegans Wake*) is a multimedia performed talk. The performance re-imagines a series of micro-narratives surrounding 1916 in Dublin and the WWI battlefields of Belgium. Through an interplay of storytelling, animations, music and poetry, *Twinsome Minds* mines what is often lost behind official historical accounts and acts of commemoration, and proposes a transformative work of interpreting The Rising for a new generation.
